

Adrián Troya  
Research Entomologist

Instituto de Ciencias Biológicas  
Escuela Politécnica Nacional  
Ladrón de Guevara E11-253  
Quito, Ecuador  
(593) 2 236690

Date of birth 10 . 02 . 1977  
E-mail adrian.troya@epn.edu.ec  
Cell phone (593) 997408374

## EDUCATION

Period	University	Degree
2010 – 2012	Ludwig Maximilians Universität (LMU) Germany	M.Sc. Evolutionary Biology
1998 – 2002	Universidad Central del Ecuador	B.Sc. Biology

## WORK EXPERIENCE

- **2005 – present** Ecuador. Research entomologist/Curator, Entomology Section, Instituto de Ciencias Biológicas & Museo de Historia Natural Gustavo Orcés, Escuela Politécnica Nacional University (ICB-EPN). *Tasks:* fundraising and design of studies related to the insect fauna of Ecuador; management of the insect collections. Main focus: taxonomy, ecology, phylogeography of ants (Formicidae).
- **2004 – 2005** Galapagos, Ecuador. Charles Darwin Research Station, Invertebrate Department Consultant in the project: “The alien insects reference collection for the Galapagos Islands”. *Tasks:* design a data base of the alien insects that inhabit the Galapagos Islands and initiate the first reference collection.
- **August – October 2002** Ecuador. Consultant in the project “Treatment and control against the crazy ant pest (*Paratrechina longicornis*) in Pompeya, Orellana province”. Entrix Americas Company. *Tasks:* design and promote a long term strategy for controlling the invasive ant colonies at Yasuní National Park.
- **2001 – 2003** Ecuador. Volunteer. Aquatic Insects Group, SUBIR Project: “Monitoring of aquatic insects in streams of northern Amazonia in Ecuador”. Ecociencia Foundation (NGO). *Tasks:* water quality monitoring of aquatic insects in several Amazonian rivers; environmental education to indigenous Amazonian peoples; management of the aquatic insects collection.
- **2001 – 2003** Ecuador. Volunteer. Entomology Section, Instituto de Ciencias Biológicas & Museo de Historia Natural Gustavo Orcés, Escuela Politécnica Nacional University (ICB-EPN). *Tasks:* assistant in the project “Evaluación preliminar de la diversidad de escarabajos del Chocó Ecuatoriano”; sampling of arboreal insects, sorting, mounting and identification of specimens.

## GRANTS AND AWARDS

- **2013-2015** Grant award. Project “Biodiversity, DNA Barcoding and Molecular Phylogeny of the Flies (Diptera) that Visit and Pollinate Orchids in the Cloud Forests of Northwestern Ecuador”. Universidad Politécnica Salesiana and Escuela Politécnica Nacional; amount: 30,000 USD.
- **2010-2012** National grant to perform graduate studies in Germany. Secretaría Nacional de Educación Superior, Ciencia, Tecnología e Innovación (SENESCYT). National Program for Scientific and Academic Development; amount: 50,000 USD.
- **2007** Graduate course in Mexico: two-month scholarship. Organization for Tropical Studies, Louisiana State University & Instituto de Ecología A.C.; amount: 1000 USD.
- **2003** Graduate course in Perú. One-month scholarship. Organization for Tropical Studies & Universidad Nacional de la Amazonía Peruana; amount: 400 USD.

- **1999-2000** One-year scholarship for best academic performance. Universidad Central del Ecuador.
