

## PERSONAL INFORMATION

## Lorenzo Guerrini

 31, via Bellini, Carmignano (PO), 59015, Italy

 +393498847218

 lorenzo.guerrini@unifi.it

**Sex** Male | **Date of birth** 15/04/1984 | **Nationality** Italy

## WORK EXPERIENCE

from August 2011- current

## Research fellow

Department of Agricultural, Food and Forestry Systems, University of Florence, Florence, Italy

He takes part in researches on Agricultural Machinery and Food Technology. Some examples are:

- Plant and protocols optimization for high quality Tuscan bread (in cooperation with Panificio Menchetti Pietro di Santi e Figli snc - Italy)
- Technical and functional analysis of bamboo pots (in cooperation with IPAC spa - Italy)
- A machine for the production of "Caffè Firenze" a new Espresso (in cooperation with La Marzocco srl - Italy)
- Evolution of the coffee grinder for the quality of Espresso (in cooperation with La Marzocco srl – Italy)
- Innovative filtration technology to increase shelf-life and quality of extra-virgin olive oil from Montagna Fiorentina (in cooperation with Laboratorio Chimico Merceologico della Camera di Commercio di Firenze, il frantoio OI.C.A.S. srl, la Toscana Enologica Mori e la Fattoria Altomena srl - Italy)
- Set up and evaluation of a filtration system for the stabilization of the olive oil produced in the company Nuevo Manantial SA (in cooperation with Nuevo Manantial SA - Uruguay)
- A project for a new laboratory for studies on bread and pasta in Montepaldi
- Analysis of the maintenance and management plan of the historic park of Villa Strozzi in Florence (in cooperation with District 4 of the town of Florence - Italy)
- A device for organic volatile compounds recovery during the red grape fermentation
- Models for the thermal management of red grapes fermentation (in cooperation with Tenuta Argentiera - Italy)
- A study on dough rheology during malaxation in olive oil production (in cooperation with Frantoio La Ranocchiaia - Italy and Agrofin D.O.O. - Croatia)

from September 2010- current

## Freelance Agronomist

As consultant of companies and other technical studies. Particularly, the main tasks are: evaluation of tree stability, landscape protection permits, agricultural and environmental improvement programs, estimation expertises, grape and wine expert advices, olive and oil expert advices

from May 2010- February 2011

### Research fellow

Analysis of the antioxidant compounds in the European Project “AVEQ - AVEna genetic resources for Quality in human consumption), and characterization of the corn germoplasm from Lombardia Region (Italy)

### Various dates Teaching experiences

•**Contract professor** of “Applied Fermentation Technology” during the Academic Year. 2015/2016 at **Kazakh National Agrarian University** (Almaty, Kazakhstan) in the **Master Degree of Food Safety**.

Since 2011 he holds some seminary lectures in the courses of the **University of Florence**. Particularly, the courses are:

- **Enological machinery and plants** (holds by Prof. Alessandro Parenti in the Viticulture and Enology bachelor)
- **Mechanization and automation of ornamental green chains** (holds by Prof. Alessandro Parenti in the Tree nursery sciences, environmental and green management bachelor)
- **Physics and agricultural mechanics** (holds by Prof. Fabio Baldi in the Agricultural sciences bachelor)
- **Agriculture and forestry energetic systems** holds by Prof. Fabio Baldi in the Agricultural and technology sciences master degree)
- **Speaker for several similar lectures at University of Florence**

Furhtermore, since 2012, he has been speaker in several Italian and international conferences and congress.

Finally, he co-supervised students in many bachelor and master degree thesis.

## EDUCATION AND TRAINING

2012 - 2014      **Doctorate in Agriculture and Forestry Engineering**  
University of Florence, Italy

2006 - 2008      **Master Degree in Agricultural Engineering**  
University of Florence, Italy. Evaluation: 110 with honors / 110

2003 - 2006 **Bachelor Degree in Viticulture and Enology**  
University of Florence, Italy. Evaluation: 103 / 110

#### PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B2	B2	B2	B2	C1
Spanish	A2	B1	B1	A2	A1

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user  
Common European Framework of Reference for Languages

#### ADDITIONAL INFORMATION

List of published works

- **Guerrini, L.\***, Masella, P., Spugnoli, P., Spinelli, S., Calamai, L., & Parenti, A. (2016). A Condenser to Recover Organic Volatile Compounds during Vinification. *American Journal of Enology and Viticulture*, ajev-2015.
